We first and foremost give GOD the credit!

...for what we do and how we do it. We try to remain humble in our approach and attempt to effectively serve those who serve others according to:

Romans 13 : 3-7

3For rulers hold no terror for those who do right, but for those who do wrong. Do you want to be free from fear of the one in authority? Then do what is right and he will commend you. 4For he is God's servant to do you good. But if you do wrong, be afraid, for he does not bear the sword for nothing. He is God's servant, an agent of wrath to bring punishment on the wrongdoer. 5Therefore, it is necessary to submit to the authorities, not only because of possible punishment but also because of conscience. 6This is also why you pay taxes, for the authorities are God's servants, who give their full time to governing. 7Give everyone what you owe him: If you owe taxes, pay taxes; if revenue, then revenue; if respect, then respect; if honor, then honor.
