

Protecting Ministries

“In covenant to enable ministry”

*Did you know
that most
service-related
injuries are
caused by unsafe
acts, not unsafe
conditions?*

Safe behavior begins with:

- Being responsible for performing your service to the Church in a safe manner
- Knowing the proper safety procedures to follow when performing your assigned tasks
- Informing your supervisor immediately if you witness an unsafe condition or act
- Doing your job the right way each time and not taking shortcuts
- Becoming part of the solution by joining your Church community's safety committee
- Being vigilant in identifying improper or unsafe practices, and taking active measures to improve them

“Do all the good you can,
By all the means you can,
In all the ways you can,
In all the places you can,
At all the times you can
To all the people you can
As long as ever you can!”

~ John Wesley

Remember, sharing your talents
with **safe behavior is contagious**
and may prevent you or a community
member from getting injured.

Make Ministry Protection a habit!
