Theology, the Basics

A study facilitated by
Rev. Fred L. Durham, Jr.
Assistant to Bishop W. Earl Bledsoe and
Director of Connectional Ministries, NTC.

This study will be open to all Conference laity and Clergy and will explore some of the basic ideas of Christian theology. It will take you from knowing little or nothing about the subject and address some of the various aspects of Christian theology:

- The Apostle's Creed
- The basic vocabulary used in discussing Christian theology
- 2000 years of key debates that have influenced Christian thinking
- Who has shaped Christian theology through the centuries?
- Why Christian theology is important to laity?
