### **The Death and Resurrection of Jesus**

Good Friday and Easter—have been central to Christianity since the first century. But how do we understand them today? Marcus Borg, much-read historian, shares his understanding of the death and Resurrection of Jesus and their meaning to the early church in this faith-stretching series. Two questioners help him to explore the issues. Borg specializes in “talking to people for whom an older way of looking at the Christian faith no longer works.” He helps viewers make sense of the puzzling events surrounding Jesus’ death and Resurrection. In a straightforward, gracious way, he directs viewers away from doctrines and toward a relationship through Jesus with God.
